

Student Achievement Information

Southeast Kentucky Community and Technical College is committed to student achievement and to sharing information on our students' achievement with potential students and the general public.

Graduation and Transfer Out Rates				
Cohort Year	Graduation Rate	IPEDS Comparison Group	Transfer-Out Rate	IPEDS Comparison Group
2011	29	23	7	18
2012	30	32	2	14
2013	34	32	9	15
2014	32	31	6	14
Goal: To be at or above the IPEDS Comparison Group.				

Definition: Graduation and Transfer-Out rates are calculated as percentages and account for students who graduate or transfer out within three years of entering the College. The graduation rate cohort includes all full-time, first-time degree/certificate-seeking undergraduate students. Entering class includes all students coming to the institution for the first time. Graduation and transfer-out rates are the Student Right-to-Know rates. Only institutions with a mission to prepare students to transfer are required to report transfers out.

The IPEDS Comparison Group is an average of a selected group of community colleges similar in size to SKCTC.

Fall 2013	63	58	36	39
Fall 2014	60	61	40	40
Fall 2015	64	60	41	43
Goal: To be at or above the IPEDS Comparison Group.				

Definition: Retention rate is a percentage measured by the number of students who first begin in the fall cohort year and return the following fall term. The retention rate cohort includes all first-time, degree/certificate-seeking undergraduate students.

The IPEDS Comparison Group is an average of a selected group of community colleges similar in size to SKCTC.
