Nursing credit hours are earned by both lecture and laboratory experiences

Once hour of lecture instruction is 50 minutes and equates to one credit hour earned.

Contact hours are defined as the total number of 50-60 minutes hours required for learning experiences.

It is the ultimate responsibility of the student to stay current with the curriculum requirements.

Acceptance into the nursing program is based on a selective admissions process. Progression in the program is contingent upon achievement of a grade of "C" or better in each biological science, nursing and mathematics course and maintenance of a 2.0 cumulative grade point average or better. For more information call the nursing office at 606-589-3095.
