

MLT ASCP/AMT Certification Exam Statistics: Program Outcome Goals: 100% Pass Rate

Exam Year	# Graduates	# Graduates Taking BOC	Pass Rate %	Program Mean Score	National Pass Rate %	National Mean Score	Employment Rate
2020							
2018	10	10	100%	505	81%	518	100%
2016	8	8*	88%	446	78%	506	100%
2014	8	6	83%	549	73%	485	100%
2012	7	4	50%	408	74%	483	75%

**Pass rate for students taking the BOC exam within 1 year of graduation. In 2016, 2 students failed the ASCP exam and 1 chose to take the AMT BOC and passed, the other elected not to retake. *2018-1 student failed first attempt is retaking October 2018. (ASCP-American Society for Clinical Pathology) (AMT-American Medical Technologists)*

Program Outcome Goals: minimum of 400 on all subtest scores

ASCP Subtest Scores								
Year	Blood Bank		Chemistry		Hematology		Immunology	
	SKCTC Average	National Average	SKCTC Average	National Average	SKCTC Average	National Average	SKCTC Average	National Average
2018	565	548	506	535	496	544	440	528
2016	501	525	483	511	398	519	400	515
2014	562	509	545	501	497	480	464	498
2012	392	502	434	502	464	493	672	481
Year	Lab Operations		Microbiology		Urinalysis			
	SKCTC Average	National Average	SKCTC Average	National Average	SKCTC Average	National Average		
2018	489	551	477	541	538	517		
2016	423	523	440	513	444	501		
2014	603	495	544	499	561	503		
2012	242	496	344	490	418	497		

Program Outcome Goals: 100% -Retention, 0%- Attrition

Cohort Year	# students beginning program	# of completers	**Retention Rate%	**Attrition Rate %
2018-2020	11			
2016-2018	14	10	100%	0%
2014-2016	11	8	100%	0%
2012-2014	11	8	100%	0%

****Retention Rate** -Attrition Rate subtracted from 100% (based on students entering “final half” of the program)

****Attrition Rate** -calculated based on the # of students beginning the “final half” of the program (2nd year) divided by the # of students who left the program.
